

DECLARATION IN COPENDING APPLICATION  
CONTAINING ADDITIONAL SUBJECT MATTER

As a below named inventor, I hereby declare that:

My residence, post office, address and citizenship are as stated below next to my name; that I verily believe that I am the original, first and sole inventor (if the only name is listed) or an original, first and joint inventor (if plural names are listed below) of the subject matter which is claimed and for which a patent is sought on the invention entitled:

PROCESS FOR MAKING FINE PITCH CONNECTIONS BETWEEN DEVICES AND STRUCTURE MADE BY THE  
PROCESS

which is described and claimed in the attached specification;

that this application in part discloses and claims subject matter disclosed in my earlier filed pending application(s),

IBM Docket No. FIS920000134US1 USPTO S/No. 09/669,531 filed on September 26, 2000;, and

that I acknowledge the duty to disclose information which I am aware is material to the patentability of this application;

that as to the subject matter of this application which is common to said earlier application, I do not know and do not believe that the same was ever known or used in the United States of America before my or our invention thereof or patented or described in any printed publication in any country before my or our invention thereof, or more than one year prior to said earlier application, or in public use or on sale in the United States of America more than one year prior to said earlier application;

that the common subject matter has not been patented or made the subject of an inventor's certificate issued before the date of said earlier application in any country foreign to the United States of America on an application filed by me or my legal representatives or assigns more than twelve months prior to said earlier application; and

as to applications for patents or inventor's certificate on the common subject matter filed in any country foreign to the United States of America, prior to said earlier application by me or my legal representatives or assigns,
